Dear Participant:

In order to comply with Proposition 65, mandated by the state of California, American Proficiency Institute is required to provide you with the following information regarding our proficiency testing materials.

This notification is posted on our Knowledge Base as part of our compliance with Proposition 65. If you are in the state of California, you may wish to review the information below.

**Your facility may not be ordering any of the following programs.**

**WARNING:** The following proficiency testing product(s) can expose you to one or more chemicals, which are known to the State of California to cause cancer and/or birth defects or other reproductive harm.

Please see the table below for the catalog number, description, chemical contained, and effect.

*For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).*

Catalog No.	Description	Chemical	Effect
138	Ammonia	Streptomycin Sulfate	Birth defects or other reproductive harm
A38	Ammonia - Verification		
245	D-dimer - Qualitative	Methanol	Birth defects or other reproductive harm
311	Chlamydia / GC (molecular)	Methanol	Birth defects or other reproductive harm
246	D-dimer - Quantitative	Streptomycin Sulfate & Methanol	Birth defects or other reproductive harm
B46	D-dimer - Quantitative - Verification		
127	Glycohemoglobin - 2 sample	Tetrachloroethylene	Cancer
167	Additional Volume - Glycohemoglobin 2 sample		
A27	Glycohemoglobin - 2 sample - Verification		

126	Glycohemoglobin – 5 sample		
179	Additional Volume – Glycohemoglobin 5 sample		
375	HPV – Molecular – 5 Sample	Methanol	Birth defects or other reproductive harm
975	HPV – Molecular – 2 Sample	Methanol	Birth defects or other reproductive harm
129	Neonatal Bilirubin – 2 sample	Streptomycin Sulfate & Ethylene Glycol	Birth defects or other reproductive harm
A29	Neonatal Bilirubin – 2 sample - Verification		
147	Neonatal Bilirubin – 5 sample		
394	SARS-CoV-2 (molecular)	Methanol	Birth defects or other reproductive harm
143	Urine Chemistry	Streptomycin Sulfate & Lithium Carbonate	Birth defects or other reproductive harm

***Only*** programs containing chemicals listed on “The Complete Proposition 65 Chemical List” are included in the table above. Your facility may order proficiency testing programs that are not listed, which means they are not subject to Proposition 65 regulations.
