API has created fill-in-the blank worksheets to assist in the documentation of proficiency testing results for Immunohematology programs. They are intended to be used as a tool to assist with result entry, and not as a substitute for API's online or paper worksheet submission. If you choose to complete these forms, they should be maintained with your proficiency testing records. Please do not send completed forms to API. If you have any questions regarding the use of the forms, please contact API Technical Support at (800) 333-0958 or TechSupport@api-pt.com.
